EASY ADD-ON FLOPPY DRIVE

Plugs into USB port
Just \$34.95

If your floppy drive failed or your computer just doesn't have one. Made by LaCie.

Another Great Tool For Your Spyware Blasting Arsenal

Webroot Spy Sweeper blocks spyware *before* it has a chance to cripple your PC. **\$29.99**

WHAT'S SPYWARE?

Spyware is a type of computer program that watches what you do on the Internet. Advertisers put it on your computer so they can try to show you ads for things you might buy. Sometimes hackers put it there to steal passwords, credit card numbers and other personal information. Virus protection alone doesn't help. You need an anti-spyware tool!

SPECIAL VALUE

Epson Stylus CX6600 All-In-One

Prints, scans, and copies. **Just \$149.99!**

In-store price: \$199.99 \$50 mail-in rebate 'til 6/30/05

Use as a stand-alone copier & print directly from your camera's memory card.
